* Enrollment in Model United Nations is by permission only.

** Enrollment in Moot Court is open to pre-law majors only (if there is an odd number of pre-law majors enrolling in Moot Court, general political science students will be invited to participate to complete the team). Students must have a partner and approval of the instructor prior to enrolling in this course. Since the number of teams that may participate is dependent upon the host law school, the teams competing from HPU will be decided, in part, in the order signed up with the professor. If necessary, HPU will have a test or a preliminary tournament to help decide which teams will compete.
