

GOD TRANSFORMS LIVES ON THE HOWARD PAYNE

UNIVERSITY CAMPUS

THROUGH EXCELLENCE as students receive a **personalized education** that equips them with critical-thinking skills, integrity, and a service mindset necessary for lives that glorify God;

THROUGH SERVICE as students are provided opportunities to learn and practice **servant leadership** through events such as the William B. Dean, M.D. Community Impact Day; and

THROUGH CHRIST as HPU is dedicated to fostering an environment for **spiritual growth** by teaching through the lens of faith. Through their education at HPU, students are equipped to become **generational leaders**.

Please prayerfully consider a donation toward **the Howard Payne Scholarship Fund**. These funds will help more students have access to the Christ-centered education provided at HPU.
