Business ADMINISTRATION

HP HOWARD PAYNE
UNIVERSITY

Howard Payne University's online Master of Business Administration degree program advances God's Kingdom here on earth by preparing Christ followers for lives of service as business professionals through the teaching and examination of business concepts and topics from a distinctly biblical perspective.

- The 30-credit-hour program can be completed in 12 months of full-time or 24 months of part-time study.
- Students complete a 24-credit-hour core and then choose from four 6-credit-hour emphases: accounting (only available to accounting undergraduate majors), finance, international business, and marketing.
- Designed for working professionals, the program is fully online. The academic year is divided into five 8-week sessions: two in the fall, two in the spring, and one in the summer.
- All courses are taught by full-time, qualified faculty with extensive experience in constructing and delivering online courses to non-traditional students.

Courses Include

- Entrepreneurship
- Marketing Management
- Managerial Accounting Strategy
- International Business
- Financial Management

Fully Online

HPU's MBA program is fully online, allowing students to work full-time while enrolled in the degree program. Learning activities in MBA courses are designed so that students can enhance their mastery of business principles as they apply those concepts in the familiar, relevant context of their current employment.

Students come to HPU's MBA program from a wide range of for-profit and not-for-profit organizations.

Most students continue in their current employment after completing MBA studies. This allows the employer to earn a return on its investment through enhanced employee performance.
